

DURABLE

Strong Resistance to Scratch

Not easily worn out against heavy traffic
Wear resistance group T(EN 660-2)

Wear resistnace : group T

Wear Layer Thickness : 0.7mmT

Easy Maintenance Easy Clean UV™

Easy Clean UV™ allows easy maintenance
Low maintenance cost

Construction

This new version of LX Hausys' most advanced heterogeneous line-up for heavy commercial will bring your space to life.

Specification : 2.0mm(T)×2m(W) (0.7mmT Wear layer)×20m/Roll

Advantage

Enhanced Convenience With Advanced Technology

LX Hausys' distinguished surface treatment technology

- Easy Clean UV - helps keep your space clean through its unique Lotus effect mechanism.

The Truth Of Durability

The durability of Durable Neo exceeds expectations and overcomes bias. 0.7mm pure vinyl wear layer gives Durable the extra durability and wear resistance not found in homogeneous vinyl flooring.

More stable structure with dimensional layer

All Vinyl flooring naturally expands and shrinks as temperatures fluctuate. However, if one is looking for the exception that remains stable even in severe heat, cold and humidity, LX Hausys' Heterogenous flooring Durable is the answer.

Good Design Works Better

Newly expanded design series to inspire creative interior designs.

The versatile combination of more natural, contemporary and sophisticated patterns.
