

PRESTG XL

Spacious Elegance

Reimagine the comforts of home with PRESTG XL. Extra-large planks, measuring 9" x 60", create a spacious, relaxed environment. Refined wood grains, neutral color palettes, and a textured surface create an authentic look and feel. Discover PRESTG XL, the foundation for all your design aspirations.

Modern Minimalist

Embrace the power of simplicity with a “less is more” style that balances any design concept. Lighter wood tones, softened grains, refined textures, and larger planks help create a comfortable space perfect for today’s mobile lifestyles. Discover the beauty of basics done well.

Coastal

Design a serene oasis with PRESTG XL large format planks. Escape the hustle of modern life with sun-kissed wooden tones evoking the beauty of sand, sea, light, and water. Perfect for open spaces, PRESTG XL turns homes into sanctuaries, fostering connection, reflection, and relaxation.

Legacy

Rediscover the simple joy of being at home and create a legacy of style. With its brushed texture and warm earthy tones, PRESTG XL provides a foundation for lasting memories. Its classic wood aesthetic adds comfort and builds on the traditions of family, community, and local living.

PRESTG XL

PRESTG XL offers a blank canvas for creativity. With exceptional durability, easy installation, water and wear resistance, noise reduction, and a universal wood color palette, PRESTG XL helps you create a serene and balanced environment for modern living.

Features & Benefits

Stone Shield

Exceptional anti-scratch performance

Water Guard

No deformation from water

Transfer Guard

Reduces prep time and ensures smooth installation (no "telegraphing")

5Gi Locking System

Shortens installation time and ensures flush joints

Easy Installation

Shortened installation time and maximized coherence by applying 5Gi structure

IXPE Foam Layer

Excellent Stability and underfoot Comfort

Sound Reduction

Sound reduction by 21 dB (ISO 717-2:2013)

Top-of-class Sound Reduction

IIC rating: 64 (ASTM E90)

C-EIR (Continuous Embossed in Register)

C-EIR is LX Hausys' innovative embossing technique. This technology imprints captivating effects onto the surface synchronizing the high definition image resulting in the authentic texture of wood and ceramic materials and ultimate real feel.

5Gi Locking System

Our click structure allows for a floating floor installation where flooring is installed over the existing floor and can be restored to the original state when removed.

Water Guard SPC Core

SPC Core is highly resistant to water and moisture compared to other types of flooring. It will stand strong against water, maintaining its original appearance.
