

SAFEROAD

Anti Slip Floor SAFEROAD

LX Hausys SAFEROAD, safety flooring with anti-slip particles throughout its wear layer, guarantees excellent durability, convenience, and slip-resistance for the life of the flooring.

R10

Applicable Area
Light commercial
Kitchen & Shower

SAFEROAD

Prevent slipperiness even with water

Flooring should be able to prevent
slipperiness even with water

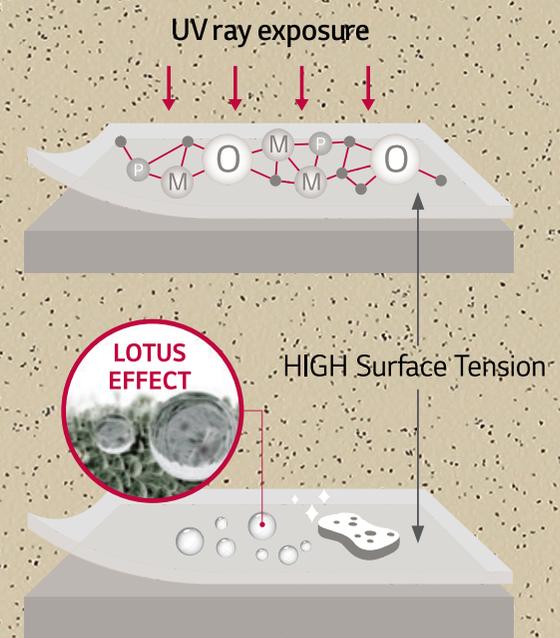

SAFEROAD

Easy maintenance

LX Hausys EASY CLEAN UV™ makes cleaning easy and convenient.

*Lotus effect: self-cleaning properties as a result of high water repellence as exhibited by the lotus flower leaves.

SAFEROAD

Safety is paramount

Floor slip is the greatest risk in work environments. SAFEROAD is the most reasonable and economical choice to protect both visitors and employees.

Temp.

Flexible in low temperature

Even in the cold winter construction site, easy to install without damage.

°C

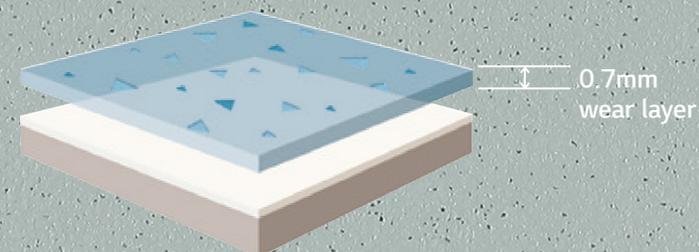

SAFEROAD

Long lasting safety

Anti-slip particles throughout its wear layer, guarantees slip-resistance for the life of the flooring.

Wear resistance class 34/43
(EN 13845)
